

Safety information and code of conduct on the factory premises of hte GmbH

The following applies to the entire factory premises:

No smoking, fire or naked flames, including inside vehicles!

It is prohibited to carry or consume alcoholic drinks or any other type of intoxicant!

No photography or filming!

Speed limit is 10 km/h.

The visitor pass must be worn on the clothing both openly and visibly.

The following applies to laboratories and certain operating areas:

Wear safety glasses.

Wear a lab coat, ankle-covering clothing, and full-coverage shoes.

Unauthorized persons are not permitted to enter the premises!

Access to the laboratories is prohibited during pregnancy.

No eating or drinking!

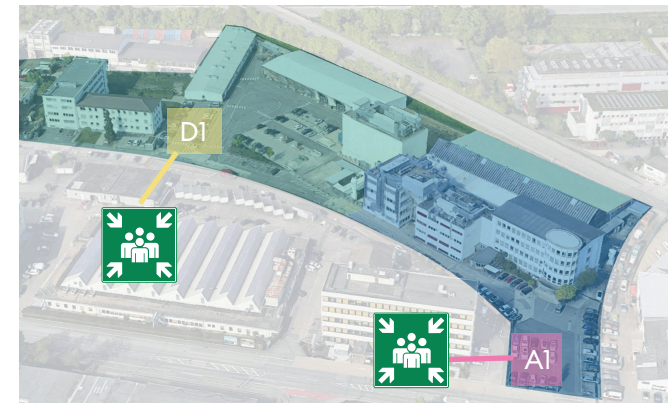

Keep emergency fire doors and smoke control doors closed!

Behavior in the event of an incident:

Incidents or dangerous situations will be announced by acoustic danger signals.

- An incident may be caused by: fire, explosion or release of toxic substances.
- Leave the danger area quickly but without putting others at risk and move immediately to the meeting points marked in green close to A1 or D1 depending on your current location.
- Keep away from the area where the incident occurred.
- Do not walk or drive through leaked liquids, unknown substances, dust or escaping gas clouds, smoke from fire, and closed-off areas.
- Do not interfere with rescue work. Follow the operational staff's instructions.

Factory site plan of hte GmbH with meeting points for incidents.

A violation of the rules may result in a restriction of further access to the plant premises! hte is not liable for damages resulting from violations of these regulations.
